15.2 The envelopes shall:

- a) Be addressed to the Procuring Agency at the address provided in the bid data Sheet.
- b) Bear the name and identification number of the contract as defined in the bidding and contract data; and
- c) Provide a warning not to open before specified time and date for Bid Opening as defined in the Bidding Data; and
- d) In addition to the identification required in 15.2., the inner envelopes shall indicate the name and address of the bidder to enable the Bid to be returned unopened in case it is declared late.

- e) If the outer envelope is not sealed and marked as above, the Procuring Agency will assume no responsibility for the misplacement or premature opening of the Bid.
- 15.3 Bids submitted through any other means shall not be accepted.
- 15.4 Any bid received by the procuring agency after the deadline for submission prescribed in the Bidding Data will be returned unopened to such bidder.
- 15.5 Any bidder can withdraw his bid after bid submission provided that the written notice of withdrawal is received by the Procuring Agency prior to the deadline for submission of Bids.
- 15.6 Withdrawal of bid during the interval between deadline for submission of bids and the expiration period of the validity specified in the Form of Bid may result in forfeiture if the Bid Security pursuant to ITB Clause 13.5.

BID OPENING AND EVALUATION

- 16 Bid Opening, Evaluation and Clarifications
- 16.1 The procuring agency will open the bids, in presence of the bidder's representatives who choose to attend, at the time, date and in place specified in the Bidding Data.
- 16.2 The bidder's name, Bid Prices, any discount, the presence and absence of Bid Security, and such other details as the Procuring Agency at its discretion may consider appropriate, will be announced by the Procuring Agency at the Bid Opening. The Procuring Agency will record the minutes of the bid Opening. Representatives of the bidders who choose to attend shall sign the attendance sheet.
- 16.3 To assist in the examination, evaluation and comparison of Bids the Procuring Agency may, at its discretion, ask the bidder for a clarification of its Bid. The request for clarification and the response shall be in

writing and no change in the price or substance of the Bid shall be sought, offered or permitted.

16.4 a) Prior to the detailed evaluation, pursuant to IB.16.7 to 16.9, the Procuring Agency will determine the substantial responsiveness of each bid to the Bidding Documents. For purpose of these instructions, a substantially responsive bid is one which conforms to all the terms and conditions of the Bidding Documents without material deviations. It will include determining the requirements listed in Bidding Data.

b) Arithmetical errors will be rectified on the following basis:

If there is a discrepancy between the unit price and total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected. If there is a discrepancy between the words and figures the amount in words shall prevail. If there is a discrepancy between the Total Bid price entered in Form of Bid and the total shown in Schedule of Prices-Summary, the amount stated in the Form of Bid will be corrected by the Procuring Agency in accordance with the Corrected Schedule of Prices.

If the bidder does not accept the corrected amount of Bid, his Bid will be rejected and his Bid Security forfeited.

16.5 A Bid determined as substantially non-responsive will be rejected and will not subsequently be made responsive by the bidder by correction of the non-conformity.

- 16.6 Any minor informality or non-conformity or irregularity in a Bid which does not constitute a material deviation (major deviation) may be waived by Procuring Agency, provided such waiver does not prejudice or affect the relative ranking of any other bidders.

Major Deviations Include:

- a) has been not properly signed;
- b) is not accompanied by the bid security of required amount and manner;
- c) stipulating price adjustment when fixed price bids were called for;
- d) failing to respond to specifications;
- e) failing to comply with Milestones/Critical dates provided in Bidding Documents;
- f) sub-contracting contrary to the Conditions of Contract specified in Bidding Documents;
- g) refusing to bear important responsibilities and liabilities allocated in the Bidding Documents, such as performance guarantees and insurance coverage;
- h) taking exception to critical provisions such as applicable law, taxes and duties and dispute resolution procedures;
- i) a material deviation or reservation is one:
 - a. which affect in any substantial way the scope, quality or performance of the works;
 - b. Adoption /rectification whereof would affect unfairly the competitive position of other bidders present substantially responsive bids.

Minor Deviations:

Bids that offer deviations acceptable to the Procuring Agency and which can be assigned a monetary value may be considered substantially responsive at least as to the issue of fairness. This value would however be

added as an adjustment for evaluation purposes only during the detailed evaluation process.

- 16.7 The Procuring Agency will evaluate and compare only the bids previously determined to be substantially responsive pursuant to IB.16.4 to 16.6 as per requirements given hereunder. Bids will be evaluated for complete scope of works. The prices will be compared on the basis of the Evaluated Bid Price pursuant to IB.16.8 herein below.

Technical Evaluation:

It will be examined in detail whether the works offered by the bidder complies with the Technical Provisions of the Bidding Documents. For this purpose, the bidders data submitted with the bid in Schedule B to Bid will be compared with technical features/criteria of the works detailed in the Technical Provisions. Other technical information submitted with the bid regarding the Scope of Work will also be reviewed.

16.8 Evaluated Bid Price:

In evaluating the bids, the Procuring Agency will determine for each bid in addition to the Bid Price, the following factors (adjustments) in the manner and to the extent indicated below to determine the Evaluated Bid Price:

- a) making any correction for arithmetic errors pursuant to IB.16.4 hereof
- b) Discount, if any, offered by the bidders as also read out and recorded at the time of bid opening.
- c) excluding provisional sums and the provisions for contingencies in the Bill of Quantities if any, but including Day work, where priced competitively

17 Confidentiality

- 17.1 Subject to IB.16.3 heretofore, no bidder shall contact Procuring Agency on any matter relating to its Bid from the time of the Bid opening to the time the bid evaluation result is announced by the Procuring Agency. The evaluation result shall be announced at least

seven (07) days prior to award of Contract (SPP Rule 45). The announcement to all bidders will include table(s) comprising read out prices, discounted prices, price adjustments made, final evaluated prices and recommendations against all the bids evaluated

17.2 Any effort by a bidder to influence Procuring Agency in the Bid evaluation, Bid comparison or Contract Award decisions may result in the rejection of his Bid. Whereas any bidder feeling aggrieved, may lodge a written complaint to Complaint Redress Committee as per terms and conditions mentioned in SPP Rules 31 & 32. However, mere fact of lodging a complaint shall not warrant suspension of procurement process.

17.3 Bidders may be excluded if involved in "Corrupt and Fraudulent Practices" means either one or any combination of the practices given below SPP Rule2(q):

- a) "Coercive Practice" means any impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence the actions of a party to achieve a wrongful gain or to cause a wrongful loss to another party;
- b) "Collusive Practice" means any arrangement between two or more parties to the procurement process or contract execution, designed to achieve with or without the knowledge of the procuring agency to establish prices at artificial, noncompetitive levels for any wrongful gain;
- c) "Corrupt Practice" means the offering, giving, receiving or soliciting, directly or indirectly, of anything of value to influence the acts of another party for wrongful gain;
- d) "Fraudulent Practice" means any act or omission, including a misrepresentation, that knowingly or

- recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation;
- e) "Obstructive Practice" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in a procurement process, or affect the execution of a contract or deliberately destroying, falsifying, altering or concealing of evidence material to the investigation or making false statements before investigators in order to materially impede an investigation into allegations of a corrupt, fraudulent, coercive or collusive practice; or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation, or acts intended to materially impede the exercise of inspection and audit rights provided for under the Rules.

AWARD OF CONTRACT

18 Post Qualifications

- 18.1 The Procuring Agency, at any stage of the bid evaluation, having credible reasons for or prima facie evidence of any defect in contractors' capacities, may require the contractors to provide information concerning their professional, technical, financial, legal or managerial competence whether already pre-qualified or not:

Provided, that such qualification shall only be laid down after recording reasons therefore in writing. They shall form part of the records of that bid evaluation report.

- 18.2 The determination will take into account the bidders financial and technical capabilities. It will be based upon an examination of the

documentary evidence of the bidders' qualifications submitted under ITB.11, as well as such other information required in the Bidding Documents.

19 Award Criteria & Procuring Agency's Rights

19.1 Subject to IB.19.2, the Procuring Agency will award the Contract to the bidder whose bid has been determined to be substantially responsive to the Bidding Documents and who has offered the lowest evaluated Bid Price, provided that such bidder has been determined to be qualified to satisfactorily perform the Contract in accordance with the provisions of the IB.18.

19.2 Notwithstanding IB.19.1, the Procuring Agency reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids, at any time prior to award of Contract, without thereby incurring any liability to the affected bidders or any obligation to inform the affected bidders of the grounds for the Procuring Agency's action except that the grounds for its rejection of all bids shall upon request be communicated, to any bidder who submitted a bid, without justification of the grounds. Notice of the rejection of all the bids shall be given promptly to all the bidders (SPP Rule 25).

20 Notification of Award & Signing of Contract

20.1 Prior to expiration of the period of bid validity prescribed by the Procuring Agency, the Procuring Agency will notify the successful bidder in writing (Letter of Acceptance) that his bid has been accepted (SPPRA Rule 49).

20.2 Within seven (07) days from the date of furnishing of acceptable Performance Security under the Conditions of Contract, the Procuring Agency will send the successful bidder the Form of Contract Agreement provided in the Bidding Documents, incorporating all agreements between the parties.

21 Performance Security

- 21.1 The successful bidder shall furnish to the Procuring Agency a Performance Security in the form and the amount stipulated in the Conditions of Contract within a period of fourteen (14) days after the receipt of Letter of Acceptance (SPPRA Rule 39).
- 21.2 Failure of the successful bidder to comply with the requirements of Sub-Clauses IB.20.2 & 20.3 or 21.1 or Clause IB.22 shall constitute sufficient grounds for the annulment of the award and forfeiture of the Bid Security.
- 21.3 Publication of Award of Contract: within seven days of the award of contract, the procuring shall publish on the website of the authority and on its own website, if such a website exists, the results of the bidding process, identifying the bid through procurement identifying Number if any and the following information:
- a) Evaluation Report
 - b) Form of Contract and Letter of Award
 - c) Bill of Quantities

22 Integrity Pact

- 22.1 The Bidder shall sign and stamp the Form of Integrity Pact provided at Schedule-F to Bid in the Bidding Document for all Sindh Government procurement contracts exceeding Rupees ten (10) million. Failure to provide such Integrity Pact shall make the bid nonresponsive (SPPRA Rule 89).

23. CONSORTIUM AGREEMENT

- 23.1 In case of Consortium of two or more firms, the proposal shall be accompanied by a certified true copy of the Consortium Agreement. The Consortium Agreement as applicable shall confirm the following therein:
- Date and place of signing;
 - Purpose of consortium (must include the details of contract works for which the consortium has been invited to bid);
 - A clear and define description of the proposed administrative arrangements for the management and execution of the assignments.
 - Delineation of duties, responsibilities and scope of work to be undertaken by each along with resources committed by each partner / member of the consortium for the proposed services;
 - An undertaking that the firms are jointly and severally liable to the Client for the performance of the services;
 - Duties, responsibilities and powers of the lead firm;
 - The authorized representative of the consortium.
- 23.2 In case of Consortium, it is expected that the lead partner would be authorized to incur liabilities and to receive instructions and payments for and on behalf of the consortium. For a consortium to be eligible for bidding, the experience of lead partner and other partners should be indicated. Lead partner may use experience and other required documents of other partner.
- 23.3 Any alternative proposal, such as one by a firm in sole capacity and another in Consortium with another firm or as a part of 2 or more consortiums, for the assignment will be summarily rejected. In such an event, all the proposals submitted by such firm and its Consortium or associate shall be rejected.
- 23.4 The proposal of a firm is liable to be rejected if the firm makes any false or misleading statement in the proposal(s), without prejudice to the rights of the client to initiate further proceedings against the said firm(s).
- 23.5 Notwithstanding anything to the contrary contained in this bidding / tender document, the detailed terms specified in the draft contract agreement shall have overriding effect; provided, however, that any conditions or obligations imposed on the bidder hereunder shall continue to have effect in addition to its obligations under the contract.
- 23.6 Bidders not complying with any of the above eligibility pre-requisites would be disqualified. All documentary evidence must be submitted along with the bids; no document will be acceptable after bid submission.
- 23.7 Bidders or any of its consortium partners must not have been black listed or declared bankrupt by any Government or Financial institution.
