Cont. on P-(2)

**DECISION.**

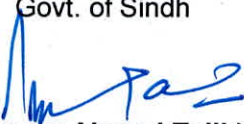

- I. The procurement committee members recommended that the financial bid be returned unopened to the technically non-responsive firm, i.e., M/S AIMS, after completing all of the required codal formalities as per SPPRA rules, 2010 (Amended 2022), and that the same be displayed on all relevant SPPRA websites as well as the Government of Sindh.
- II. The Committee also ruled M/S Commtel's (technically qualified) bid financially non-responsive, quoting a higher bid of Rs. 98,231,891/- from the quoted price of Rs. 50.00 million, and the bid security of said firm was also not attached in the financial proposal.
- III. The committee recommended that due to the fluctuation of the dollar rate and the instability of market prices of commodities, the procurement committee unanimously decided that the PC-I of the project may be revised as the same tender has been cancelled two times.

4. Meeting ended with a vote of thanks.

|------|---------------------|----------------------------------------------|-----------------------------------------------|
| 1    | M/S AIMS            | 485.714/1000                                 | Technically Non-Responsive                    |
