# REQUEST FOR EXPRESSION OF INTEREST

FOR PRODUCTION & SUPPLY OF VEHICLE NUMBER PLATES UNDER BOT MODEL

The Government of Sindh has taken up several important initiatives aimed at modernizing the Vehicle Registration System. Noteworthy initiatives include:

- Upgrading the legacy computerized systems with a modern and web enabled System
- Introducing a passport style registration book with increased security features

## Opportunity

Now Excise & Taxation Department, Government of Sindh seeks interested parties for introduction of security featured number plates according to international standards which is important component that is integral to the aspects of security and at present being provided by the Excise and Taxation Department, which is the vehicle number plate. This component has been under active consideration by

The preliminary arrangements with the private sector include, but not limited to following:

- The private investor, under a B.O.T Built Operate and Transfer Public-Private-Partnership (PPP) agreement entered into with government, can rely upon for recovery and return of investment.
- Apart from issuance of number plate for new (first time) registrations, the number plates of existing population of vehicles (approximately 2- 3 Million, including 2 & 3 wheelers which hitherto do not affix government approved/supplied number plates) will be replaced.
- The project has components, such as the IT infrastructure (computers, networking, communication) to be set up - especially at the Citizen Facilitation points - inherently ensure for the Government that the most reliable and robust systems would be installed by the private partner
- Where payments to the project investor/manager are under a PAYEE (Pay as you Earn) approach, this extended time commitment of the contractor is assured.

The Request for Qualification (RFQ) document may be obtained from the office of Director Motor Registration /Admin Karachi Excise and Taxation Government of Sindh, Sindh Secretariat No 4A, Barrack No. 11.

Well reputed companies may submit their RFQ Documents individually or as a consortium, duly filled in and completed as per instructions given therein, at the above address by 2:00 P.M. on 21<sup>st</sup> July 2011.

**Note: Only pre-qualified bidders would be issued Request for Proposal (RFP) to submit their Technical and Financial Proposals.**
